"Sharing the Gift of Love"

To our CDC Parents:

Welcome! As Pastor of Vestavia Hills Baptist Church, I want to thank you for choosing our CDC. We understand the enormous trust you give us in placing your child here. We take our Child Development Center ministry very seriously and we love your children. They are special and loved by our whole staff. They will know all our names, see us, wave to us and be watched over by us.

We appreciate the excellent staff that serves here, as you do, I know. I want to especially thank Jennifer Cox for her fine leadership that helps this center run so effectively day by day. I have great confidence in the way our center is run, with the highest level of accountability, honesty, safety and professionalism.

A child is a sacred trust and a sacred responsibility, not only for parents, but for all of us who have a stake in their future. We are so proud that our church has the fine facilities that you enjoy today, in part as a way to say, "These children are special and deserve the best we can give."

We want you to know how much we value them and you, and seek to serve you faithfully day by day. We also want to extend a warm invitation to you, if you do not have a church family, to know that we would welcome you to visit with us and see if you might find a place here in this community of faith for worship, support, growth and commitment.

Again, thanks for being a part of us. If we may help you in any way, please call on us.

Sincerely,

Gary Furr,
Pastor
