COVID RESPONSE

Updated May 21, 2021

In accordance with the current Centers for Disease Control recommendations the following practices will be in place at VHBC, beginning May 23rd:

- **Masks are NO longer required for FULLY vaccinated individuals. Those not fully vaccinated should continue to wear a mask, including unvaccinated children and youth. An individual is considered fully vaccinated two weeks after their final dose of the vaccine.**
- **Reservations are NO longer needed for worship. The sanctuary will include sections with distancing and without (distanced seating for unvaccinated individuals or families with unvaccinated members AND non-distanced seating for individuals and families who are fully vaccinated).**
- **Sunday school classes should continue to have distanced seating to allow for unvaccinated members of the congregation to participate.**

- The Children and Student Ministries will follow the same guidelines with distancing and masks for those not vaccinated.
- Yet again, we are in uncharted territory, but who better than the church to navigate this time. Acting out of love for our neighbor is at our core. Let's continue to excel in our thoughtfulness for one another.

COVID RESPONSE

Updated May 21, 2021

vhbc kids
